**Two points per answer = 100 points, passing would be considered to be 70.**

Individual scores are noted and published to the contact person for your association, the association average is published, and scores of concern (below 70) will be reported to your local association as there is a minimum score of 70 to be assigned a semi-final or final play-off game. Officials not scoring at 70 or above may take the test next year without cost.
