

Summer test 3

1. With third and 6 from B's 35-yard line, a pass from A1 is intercepted at B's 25 by B1 who advances for an apparent touchdown. During the run by B1, A1 kicks at B2.
2. B11 mistakenly believes he is his team's 12th player and leaves the field before the snap (a) on his opponent's sideline, or (b) on his sideline and enters his team box. B11 then discovers his error and returns to field on his team's side of the neutral zone before the snap.
3. Flanker A1 is detected with a chin strap hanging down: (a) while going downfield in his pass pattern; or (b) after being blocked by B1 downfield; or (c) after catching a pass and being hit by B1, he is continuing downfield
4. Midway through the second period, the clock is stopped for: (a) an incomplete forward pass; or (b) a measurement; or (c) an out-of-bounds play, when an official notices that A1 appears to be injured.
5. An official stops the clock when he notices quarterback A1 has a bloody nose. A1 is directed to go to his team box. The coach of A then requests a time-out and A1's bleeding is stopped during the time-out. A1 reenters with other teammates following the time-out.
6. Third and 10 from B's 40-yard line. A1's forward pass is intercepted by B1 on B's 20 and returned to midfield. End A2 accidentally steps on the sideline at B's 30: (a) before, or (b) after the interception. In both cases A2 returns inbounds at B's 25, but does not make any attempt to catch the ball or tackle B1.9.6.1
7. First and 10 for team A from its own 20 yardline. A1's pass is caught by A2 at team A's 30 yardline. A2 fumbles at team A's 35 yardline, where prone B3 recovers. B4 is flagged for roughing the passer. Where is the penalty enforced from?
8. First and 10 for team A from its own 20 yardline. A1's run results in a five-yard gain, but he fumbles. While the ball is loose, B2 holds A3 at team A's (a) 30 yardline, or (b) 10 yardline. A4 recovers the loose ball and advances to the 50 yardline. Where is the penalty enforced?

9. A1 breaks free on B's 20-yard line and is near the goal line on a run which will score the go-ahead touchdown. Just before entering the end zone, A1 turns and taunts B1. Time in the fourth period expires during the run.
10. With fourth and 15 from midfield, K is called for illegal formation. R1 catches K1s punt, but is tackled by the face mask/helmet opening by K2. R2 knees K3 prior to the end of the run.
11. During a forward-pass play, eligible receiver A1 runs a pass pattern and it is obvious he will be unable to catch the pass from A2 because: (a) the pass is incomplete, striking the ground; or (b) it is well overthrown but in the general area of A1. In both (a) and (b), when it is obvious the pass will not be caught by A1, B1 aggressively contacts A1.
12. A1 drops back and throws a screen pass to flanker A2 who is behind the neutral zone. B2 has come across the line and deflects the pass so that its flight is altered and the pass goes beyond the neutral zone. Ineligible A8 has gone beyond the expanded neutral zone before the pass is released.
13. Runner A1 advances 5 yards beyond the neutral zone to B's 3-yard line where he is tackled. As he is going down, A1 simulates a fumble by tossing the ball forward into the end zone where A2 downs it.
14. A kickoff by K1 from K's 40 is muffed by R1 near his 20-yard line. The muff is caught by K2 at the 18 and he advances into R's end zone.
15. Define a loose ball play?
